

Program Medical Director – Child & Youth Program & Regional Department Head – Pediatrics

Fraser Health is seeking a Program Medical Director to provide regional leadership to support the successful delivery of the Child & Youth Programs within the Maternal, Infant, Child and Youth (MICY) Program. The Program Medical Director will also act as the Regional Department Head of Pediatrics. The senior leadership position is accountable in partnership with the Executive Director for the planning, delivery, operations and performance of a region-wide program of child and youth health services and for creating a cohesive academic and research plan with strong links to the UBC Department of Pediatrics. In leading by example, the successful candidate will maintain a clinical practice while providing regional leadership.

As Program Medical Director you will:

- Work collaboratively with Child Health BC, BC Children's Hospital.
- Achieve integration, standardization and consolidation of services across the region.
- Establish and monitor standards/guidelines for services.
- Ensure the effective, efficient utilization of program resources – human, financial, space, physical and clinical.
- Develop a comprehensive physician resource and compensation plan for the program.
- Establish interdisciplinary quality improvement and risk management strategies.
- Promotes teaching and research activities.

As Regional Department Head you will:

- Serve as a Member of the Health Authority Medical Advisory Committee (HAMAC).
- Be eligible and apply for an academic appointment with the University of British Columbia.
- Recommend appointment, re-appointment and privileges of Department members.
- Conduct in-depth reviews of Department members.
- Establish standards of clinic practice for the Department.
- Establishes a quality assurance/quality improvement structure and program for the Department.

Eligibility:

Candidates must be eligible for Licensure with College of Physicians and Surgeons of British Columbia.

We look forward to hearing from you!
