

Posting: Open until filled

Regional Department of Obstetrics & Gynecology

Regional Division Head - Gynecology

Eligibility

- Member of the Active staff

Term of Appointment

- Three years

Compensation

- Annual stipend of \$32,000 based on 0.19 FTE presence in the role or 7.0 hours per week

Job Description

The responsibilities of the Regional Division Head include (but are not limited to):

- developing annual operating objectives for the Regional Division including operative and consultative obstetrics;
- functioning as the channel of communication to and from the Regional Division to keep members of the Regional Division informed regarding Division objectives, policies and general activities;
- developing, with the members of the Regional Division, standards of clinical practice for the Regional Division, recommending those standards to the Regional Department and ensuring that the Regional Division members work within established standards;
- encouraging and facilitating programs for the continuing medical education of Regional Department members;
- arranging and chairing Regional meetings as required in these Rules;
- if applicable, working with universities to ensure that education programs and research activities are being sufficiently promoted and supported;
- promoting health and wellness amongst members;
- encouraging a healthy, respectful workplace;
- investigating and documenting complaints regarding care provided by members within the department under the direction of the relevant Regional Department Head | Program Medical Director;
- reviewing with the Regional Division and the Regional Department Head | Program Medical Director, the human resource requirements of the department;
- contributing to the search and selection of applicants for vacancies within the program;
- establishing a quality assurance/quality improvement structure and program for the Regional Department, which carries out the functions of review, evaluation and analysis of the quality of medical care and utilization of Fraser Health resources.
