

Chief, Trauma Services **Trauma Program, Abbotsford Regional Hospital and Cancer Centre** **Fraser Health**

The Fraser Health Authority is seeking an exceptional candidate with a solid background in Trauma Services who demonstrates leadership and experience to lead a collegial team at the Abbotsford Regional Hospital and Cancer Centre (ARHCC).

The Chief, Trauma Services will provide and advance the mission, goals and objectives of ARHCC and work to align with the mission, goals and objectives of the Fraser Health (FH) and Provincial Trauma Programs.

Chief, Trauma Services – Trauma Program

Reporting to the FH Medical Director of the Trauma Program, the Chief, Trauma Services is responsible for:

- The oversight of quality of care provided by the trauma medical staff while supporting staff career development.
- Working collaboratively with the Local Department Heads, Regional Department Heads, Regional Division Heads and the ARH Multidisciplinary Healthcare Coordinating Committee (MHCC) Medical Co-Chair.
- Overseeing the teaching, research activities and professional practice standards of physicians within the Trauma Program.
- Job description available upon request

Qualifications

- Education or experience in Health Administration.
- Recent related Trauma Clinical and Program experience in a complex healthcare environment.
- Certification and/or substantial experience in Surgical Trauma, Critical Care Medicine, Anaesthesia, or Emergency Medicine.

If you are interested in this exceptional career opportunity, please forward your CV to:
