

WHAT'S NEW

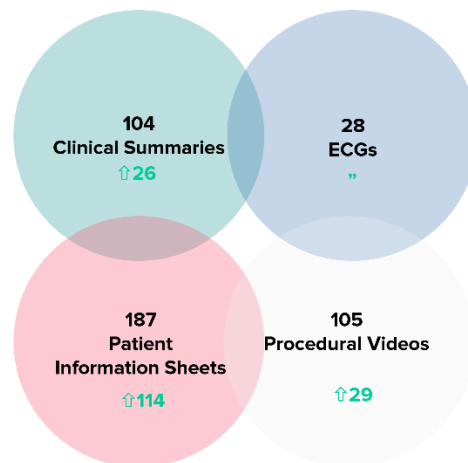

The BC EM Network is continuing to grow and connect BC emergency practitioners with each other. Collectively, we are sharing knowledge and supporting one another with information to improve patient care.

The Network has [424 BC-relevant clinical resources](#). All resources are **publicly available** and authored or sourced by BC emergency care practitioners.

CLINICAL RESOURCES

Total = 424

↑169 since Jan 2019

Membership

The Network is made up of physicians from across BC, working in tertiary, large community, rural, and remote emergency departments. Currently, members include generalists in small communities and full-time emergency physicians; any physician who is responsible emergency patient care in BC.

The Lounge at www.bcemn.ca

Coming in 2020, we'll be airing the "End of Shift" podcast, hosted by Dr. Eric Angus and Dr. Joe Haegert. The hosts will explore clinical and wellness topics related to BC emergency care and interview BC practitioners. Also, keep an eye out for new blog posts or submit one yourself on any topic related to EM care. You'll be able to find all this in **The Lounge section on the Network website** - launching soon!

Please reach out with any questions, comments, or how the EM Network can assist you in practicing emergency care across the province. Email us at: connect@bcemergencynetwork.ca.

Warm regards,

The BC Emergency Medicine Network Team
