### **Leadership & Quality Development Opportunities for Medical Staff**

#### Courses delivered by People Development:

Coaching Out of the Box 4 virtual classroom sessions (2.5 hrs) and 4 learning labs (1.5 hrs)	Clear Leadership (4 days and 1 additional 2 hr session)	Leadership & Management Skills Workshops	Leading for Engagement (L4E) (11.5 days)
This program introduces leaders to the power of atilizing a 'coach approach' in their work with individuals and teams. As they explore and practice the foundations of a coaching, participants strengthen their ability to lead from a place of curiosity, inquiry, openness, and deep istening.	This program builds leaders' self-awareness and ability to navigate difference/ conflict with others, enhancing their ability to build and maintain open and clear relationships/ partnership with others.	<ul> <li>Stand alone courses</li> <li>Blended learning experience – self-paced pre-work (2 – 5 hours) and virtual session (3 hours)</li> <li>Participants interested in learning or enhancing skills through conversation and learning with other leaders in the system.</li> </ul>	L4E is FH's flagship Leadership Development program. Participants move as a cohort through three program phases focused on:  Phase I: Exploring Personal Leadership Phase II: Leading Through Relationships Phase III: Leading in Systems

#### Online Learning

# MyLearning (Catalogue of free leadership resources)

MyLearning online platform for learning and development. Useful for self development as well as enhancing learning in your team and sharing articles with colleagues. Get access to videos, articles, courses and much more.
