

Health System Redesign Funding

February 8, 2021

Steering Committee (Meeting held minimum of quarterly subject to funding availability):

Dr. Dayan Muthayan, EMD, Physician Partnerships & Performance (Chair)
Tracy Irwin, ED, Innovation, Planning & Transformation
Dr. Dave Williams, EMD, Quality & Safety
Lesli Matheson Jennings, Interim ED, Clinical Quality & Strategic Priorities
Dr. John Hamilton, RMD, Primary Care & Aboriginal Health
Jag Sandhu, Leader, SSC Initiatives

Quorum: Minimum of three (3) members of the steering committee, with at least one (1) physician representative and one (1) administrative representative.

FHA Priorities

1. Projects must align with Ministry of Health Strategic Priority Areas (Primary Care Network, Specialized Community Services Program (SCSP), Seniors/Frail Elderly, Mental Health & Substance Use, Rural and Remote, and Surgical Access).
2. and/or Projects must align with Fraser Health Strategic Priorities (Patient Experience, Provider Experience, Value for Money, or Healthy People)
3. Projects supported by Senior Clinical Leadership Committee (SCLC) members and endorsed by the ED/VP responsible.

Funding Criteria

1. Funding is intended to assist health authorities to receive meaningful physician input and engagement in acute and community-based service redesign activities and projects,
2. Physician input and engagement should reflect appropriate application of the [IAP2 Core Values and Spectrum of Engagement](#). Identification of the level of engagement anticipated in the initiatives supported should be clearly outlined for each project or engagement activity,
3. Funding is applied for time-limited redesign projects and broad scale physician engagement in health authority serve redesign activities,
4. Funding is not intended for ongoing program administration, committee work or to cover the cost of staff positions.
5. Funding is intended to cover physician participation beyond hospital administrative duties for which physicians are already responsible and compensated,
6. Funding should not be applied where funding responsibility rests elsewhere, regardless of whether funding for those activities is considered inadequate.
7. No retroactive adjustments will be entertained. Invoice must be submitted within one (1) month of the service
