

# Co-Regional Medical Director, Fraser Health Emergency

Fraser Health is responsible for the delivery of hospital and community-based health services to over 1.9 million people in 20 diverse communities from Burnaby to Fraser Canyon within the traditional, ancestral and unceded territories of the Coast Salish and Nlaka'pamux Nations, which is home to six Métis Chartered Communities.

We are seeking an exceptional physician leader to join our team as a Regional Medical Director (RMD). You will provide regional leadership to support the successful delivery of a care and Emergency service within Fraser Health from a medical staff perspective. This senior leadership position reports to the Executive Medical Director (EMD), Wellness and Partnerships. This is a five (5) year term of appointment, renewable by the Executive Medical Director. If you are an engaging leader and ready to collaborate with your strategic lens to care and service, we welcome you to take your next step with us.

## Key Areas of Involvement:

- Setting standards and guidelines of healthcare delivery and develop systems for monitoring compliance with those standards;
- Meeting regularly with the senior clinical administrative team and the Executive Medical Director regarding ongoing issues of patient care and Member practice;
- Ensuring that Member activities are consistent with the overall direction of the Fraser Health service delivery plan;
- Liaising with other Regional Medical Directors, Program Medical Directors and Site Medical Directors to ensure the services provided are coordinated among other Programs and Regional Departments to provide a spectrum of care to the patients, residents and clients;
- Meeting regularly with inter-disciplinary clinical leaders and administrators to ensure that Member practices are aligned with other activities and initiatives within the inter-disciplinary team;
- Maintaining a high degree of visibility by regular visits to each facility in which the service is active;
- Assisting Regional Department Heads in the identification of human resource needs and in the active recruitment of practitioners;
- Assisting Regional Department Heads in dealing with quality of care issues including issues regarding performance, availability and the behaviours of individual Regional Department Members;

- Investigating and documenting complaints regarding care provided by Members within the Department at the Facility in collaboration with the Site Medical Director and/or Regional Department Head where appropriate;
- Representing the Medical Staff in public on an as requested basis on issues of Medical Staff policies, procedures and quality of care;
- Ensuring that Member academic activities (including education and research) are compliant with Fraser Health policies.

You will also participate in dispute resolution/ mediation, promote research and training, and provide advice on medical legal issues.

### **Qualifications & Experience:**

- Eligibility for membership on the Fraser Health Medical Staff
- Five (5) years' leadership experience within the healthcare sector and experience in hospital based leadership
- A Master's degree in health administration or business administration is an asset
- Additional leadership training is preferred
- Experience with budgetary and operational planning is desirable

### **Time Commitment:**

The RMD Emergency role is being split between two Co-RMDs providing a total of 0.75 FTE, with the co-RMDs sharing the role and responsibilities.

The 0.75 FTE is to be split with one role at 0.25 FTE (9.4 hours/week), and other at 0.5 FTE (18.75 hours/week). This split may be adjusted as required going forward.

This posting is for the 0.25 FTE Co-RMD role.
